Dear Sir/Madam

Surprise Wedding Reception Firework Display

This letter is to confirm that Eastcoast Fireworks is able to offer you and your partner with a professional fireworks display during your wedding reception as requested.

THE WOW FACTOR – There is quite simply no better way to celebrate your special day than with a spectacular professional wedding fireworks display by Eastcoast Fireworks just for you, which will be an unforgettable surprise for you, your family and guests.

WHY US? – Eastcoast Fireworks has been providing a whole range of firework displays from Small Fundraisers, Wedding Receptions, to Large Corporate Events for over 17 years, making us the perfect team to deliver a truly memorable and spectacular display for your special occasion.

WEDDING FIREWORKS DESIGNED FOR YOU – We can design and fire a small surprise firework splash to spectacularly entertain your guests to a grand fireworks finale that will fill the sky relentlessly from top to bottom. Each of our displays are tailored and can incorporate any colour or effects of your choice. We will work with you to create a unique display that is perfectly suited to you or simply leave it up to us and we will design a breathtaking show just for you.

DISPLAY OPTIONS – It is not duration that counts, but how spectacular the display will be...so the sky really is the limit....as a guide, we recommend:

- ☆ **BRONZE KIWI OPTION** - This introductory display is ideal for clients on a limited budget. While very affordable, this display lasts approximately 1 - 2 minutes and includes fountains, roman candles, cakes and spectacular aerial star shell effects @ \$2000 + GST.
- ☆ **SILVER KIWI FIREWORKS DISPLAY** - Our Silver Kiwi fireworks display delivers twice the amount of effects as our Bronze Kiwi display. This display lasts approximately 3 - 4 minutes and utilises ground-based effects combined with larger star shells, and finishes with a grand finale @ \$3500 + GST
- ☆ **GOLDEN KIWI FIREWORKS DISPLAY** – This display is the best and it delivers two to three times the amount of effects and star shells of the Silver Kiwi display. From the opening salvo to the breathtaking grand finale, this display lasts approximately 4 - 6 minutes and provides the highest intensity and largest amount of effects of all the shows we offer @ \$4500 + GST.

Please Note - The above options are an indication only, and are highly dependent on the location of your venue, transport, the availability of staff accommodation and meals if required for bookings outside of Hawke's Bay.

SURPRISE SERVICE – If you want your wedding fireworks to be a COMPLETE SURPRISE, then we can set it up in secret or last-minute to create a spectacular surprise for your guests or even the bride and groom. Then, on cue, your guests can be ushered outside to witness a stunning fireworks display. We can even include an antique blasting machine to so you and your partner can start the display

START YOUR DISPLAY – Amaze and dazzle your guests during your event by using our antique blasting machine to ignite your stunning outdoor pyrotechnic display, providing a superb photo opportunity for the bride starting the show.
